Dear Friend,

“We grow by giving, and whatever amount we give contributes to our happiness,” says Lion Monarch Dr. Walter A. Soboleff. “When you give, feel good about it. The significance of the Gold Medal Tournament has been to challenge youth to play basketball. This has given many a new direction in life, a useful direction.”

On behalf of the Juneau Lions Club, we invite you to join us in supporting friendly competition and sportsmanship with southeastern communities such as Angoon, Hoonah, Haines, Klukwan, Ketchikan, Sitka, Kake, Klawock, Metlakatla, Hydaburg, Yakutat, and Juneau, at the 64th Annual Invitational Gold Medal Basketball Tournament held in Juneau, Alaska **March 21st – 27th, 2010.**

The Juneau Lions Club is an active group of individuals whose club mission includes developing, promoting, and running the yearly Invitational Gold Medal Tournament. Last year, eighteen teams traveled to Juneau accompanied by family and fans. This week long tournament refreshes our spirits after long winter months and rewards Juneau with an economic boost.

Your sponsorship promotes your business or organization, and helps us continue to run the Gold Medal. Proceeds from the tournament are awarded back to each participating community in the form of high school scholarships, and assistance to teams that travel to Gold Medal. Additional donations are made to local organizations such as AWARE, Salvation Army, The American Cancer Society, local and regional culture camps, and sight conservation projects within the state and internationally through the Lions Club International. As funds are available, we gladly step forward to help.

Please choose a sponsorship level on the attached handout and send your check and contact information to the Juneau Lions Club today. If you have any questions, please email the Juneau Lions club via our website at www.goldmedalbasketball.org

Sincerely,

Dr. Walter A. Soboleff
