### **2012 GOLD MEDAL TOURNAMENT RULES**

1. **General.** This tournament is an Invitational Basketball Tournament. It is controlled and conducted by a Tournament Committee appointed and approved by the Juneau Lions Club Board of Directors. Invitations are considered and offered based on received letters of interest, spectator appeal, prior team record, and fairness to the communities that so long supported our basketball tournament. As a Juneau Lions Club sponsored event, all teams and players are to conform to the best tenets of sportsmanship and intent of these rules. Teams and/or players which do not, in the opinion of the Juneau Lions Club, conduct themselves in a positive sportsmanlike manner and/or act otherwise so as to circumvent the spirit of the rules, may not be invited to participate in future Juneau Lions Club Gold Medal Tournaments.
  
2. **Official Basketball Tournament Rules.**  
High School Federation Basketball rules will be used with the following exceptions and clarifications:
  - Two – 20 minutes halves, with 4 minute overtime periods.
  - No shot clock.
  - Five-second counts in the frontcourt for held-ball or closely guarded players.
  - Time-outs: 3 – 60 second and 2 – 30 second timeouts per game. Overtime: 1-60 second timeout, plus unused timeouts from regular game.
  - Players may stand on the “blocks” on the lane lines during free throws.
  - Players on the lane-lines may enter the lane on the release by the free throw shooter.
  - Free throws will be shot starting on the seventh foul.
  - Technical fouls: play will resume from the point of interruption after two free throws are shot.
  - Players or coaches who receive two technical fouls in a game will be ineligible to participate in their next game.
  - Offensive fouls are considered team control fouls with no free throws being shot. The ball is awarded to the team that was fouled at the spot closest to the foul.
  - A time-out may not be called when an airborne player is in possession of the ball.
  - Mercy rule will be used when a team has a 40-point lead. The game clock will be stopped only for time-outs even if the margin goes below 40-points.

3. **Invitations and Official Rosters.** The named Manager/Official Representative will need to be residing in the community that they are requesting an invite to the tournament and immediately following the team's acceptance of an invitation to participate in the Gold Medal Basketball Tournament, shall provide the Juneau Lions Club Tournament Committee an initial roster with a minimum of eight (8) and not more than fifteen (20) players, one team manager and one coach. The initial roster should not be more than 20, and if the numbers are more than 20, numbers 21 and higher will be taken off the initial roster and will not be eligible to play on that team. There will also be a \$100.00 entry fee that must be sent with the initial roster. This fee is non-refundable with the exception of the selected 'Alternate' Team. The final rosters will not exceed twelve (12) player names of individuals that were on the original initial roster. All players listed on the roster shall have indicated their willingness for their names to be included on the team's roster. Initial rosters for teams in their respective Division will be sent to Manager/Coaches that make a request to the Juneau Lions Club. If a Manager/Official Representative believes a listed player for another team in the same bracket does not meet or comply with the applicable eligibility rules, they must send notice to the Juneau Lions Club Tournament Committee. Reminder – the final roster must have not less than eight (8) names and not more than twelve (12) names. **Teams not fielding the minimum of amount of players from their final roster which results in them picking up players prior to the first game, will not be considered for the next tournament or will be put at the bottom of the list for their Division.**
